

## YADAVINDRA DEPARTMENT OF ENGINEERING, TALWANDI SABO

Yadavindra Department of Engineering, Talwandi Sabo is one of the Departments of Punjabi University Patiala, Punjab established in the Year 2004 to empower the rural youth of India with technical education through 'Golden Heart Scholarship' scheme. YDoE was started with an objective to reach the unreached rural area students of India with the vision to become a distinguished institution of technical education and research for providing world class learning opportunities to the students from rural areas of the state of Punjab and India. This department is incepted from a unique and novel step taken by Punjabi University Patiala towards the empowerment of rural youth of Punjab and India.

For this specific purpose, a well-crafted B.Tech. 6 year integrated course (CSE/ME/ECE) was started in 2004 for rural area students and fully financially supported the students through INTEREST FREE LOAN. The other courses offered at YDoE are B.Tech. (CSE/ME/ECE)-4 year, B.Tech. (Lateral Entry) (CSE/ME/ECE), M.Tech. (CE/ME/ECE), MCA, BCA, PGDCA, and six month certificate courses in Fire and Industrial Safety Management, Welder, Plumber, Computer Basics and Office Automation, Web Designing, Computer Hardware Fundamentals, Electronic Circuits Fabrication and Testing.

### National Intellectual Property Awareness Mission (NIPAM)

Intellectual Property Rights are legal monopolistic rights conferred by the Government to inventors of intellectual property in industrial, scientific, literary and artistic fields in lieu of complete disclosure of the same. NIPAM, an initiative of the Govt. of India under "Azadi ka Amrit Mahotsav" aiming to provide awareness on intellectual property and its rights to 1 million students. It aims to inculcate the spirit of creativity and innovation to students of higher education. It is working to ignite and inspire the students of colleges and universities to innovate and protect their creations and inventions.

### Intellectual Property Rights (IPR) Club

The IPR club, YDoE has been setup and working to share IPR protection information, orientation and facilities to students and faculty. The club organizes various IPR awareness programmes for faculty and students.

### National Webinar on IPR Awareness

The aim of this national webinar is to share current trends, researches and issues occurring in the areas of Intellectual property rights and patenting for faculty, scientists, scholars, engineers and students. In this way, this national webinar provides opportunities for the participants to interact and exchange their ideas, achievements and experiences related IPR and patenting.
